MR

Thank you, Anna Sater

Members of the Jury:

As I told you when we began jury  
selection, transcript of testimony is not  
ordinarily available for jury review  
and its preparation is time consuming.

In this circumstance the earliest Ms.

McKenna's transcript could be completed  
is tomorrow (Thursday) afternoon and  
it may take until Friday morning to complete  
and certify. Nevertheless, I have directed  
preparation of the transcript.

You should, however, continue  
your deliberations.
